

WICHITA
Children's Home

a home with a heart

The Wichita Children's Home offers the only emergency, temporary residential shelter for children in our community.

To keep our doors open 24/7 for children affected by abuse, neglect, exploitation and homelessness, WCH relies on donations from people like you.

Last year alone, about 2,000 children came through our doors, often with only the clothes on their backs. When you include us in your holiday giving, we are able to meet the needs of each child to ensure their safety and well-being. You can help the Wichita Children's Home change lives.
