

WICHITA
Children's Home

a home with a heart

The Wichita Children's Home offers the only emergency, temporary residential shelter for children in our community.

To keep our doors open 24/7 for children affected by physical and emotional abuse, neglect, homelessness and exploitation, WCH relies on donations from caring people like you.

Every year, about 2,000 children come through our doors, often with only the clothes on their backs. We help hundreds more through outreach programs. When you include us in your holiday giving, you are helping meet the needs of each child to ensure their safety and well-being. You are helping the Wichita Children's Home change lives.
