Wichita Children's Home Remembers a Special Friend

The Wichita Children's Home lost longtime supporter and friend, Mary Boyd, on Dec. 15th, 2007. Mary's service to the Home began in the early 1970's when she was hired as the Home's first social worker. Mary later served on the Board of Trustees and continued to support the Home through her business endeavors.

Mary was involved with the Home for many years and asked about the children regularly. Most recently she spent a great amount of time preparing

the Home's scrapbook. Each year Mary and her husband Jim held a Christmas open house at Lincoln Heights Shopping center that benefited the Wichita Children's Home.

As we remember her twinkling eyes and sweet voice we are reminded how the generosity and compassion of one woman can make such a difference in the lives of our children.

Junior League Hosts Baby Shower for Our Youngest Victims

Junior League once again showed their compassion for children in need by hosting a baby shower for our infants and toddlers. Each guest brought gifts such as diapers, wipes, formula and clothing to be used for our youngest admissions. The generous donation helped us fill our closets with much needed supplies.

Kids Helping Kids

Since we are in the business of making a difference in the lives of children and youth, it is especially meaningful to us when young people give of themselves to help others.

Hanna Melhorne (pictured with her mother, Dr. Katherine Melhorne) asked guests who attended her birthday party to bring a gift for our children. Gifts included clothing, CD players, toys and games.

Maize High School student, Courtney Humphrey, enlisted the help of her family and friends on a year long project to collect money to purchase gifts for our children during the holidays. Courtney (pictured far right) and her family wrapped nearly 75 gifts for all ages and delivered them just in time for Christmas morning.

Volunteer

Weststar awarded the Wichita Children's Home \$500 on behalf of Rachel White McQuillan's volunteer service at the Home.

Volunteers from Kansas Association of Legal Assistance prepare dinner with Phase 1 youth each month.

Spring 2008

April is Child Abuse Prevention Month

Thank you for all you do to prevent child abuse.

From the headlines it looks as if we need to continue to do as much as possible to keep children safe. The SRS numbers show a decrease in the number of children who are being abused. In FY 2006 Wichita SRS was assigned 8,684 reports of abuse, 3,217 cases were substantiated. In FY 2007 SRS was assigned 5,253 reports; 3,999 investigations revealed no child abuse and 308 cases were substantiated. The remaining reports revealed that children were not abused or neglected but were having problems with issues such as truancy, overwhelmed family and running away. SRS helped these families directly or referred them to services.

In October 2007, an important change was made in the investigation of some child abuse cases. SRS placed 4 experienced social workers at the Wichita Children's Home. They are here from 8AM to 7PM during the week. This allows SRS to become involved the minute that the child(ren) are admitted. As a result, the length of time that a child is in protective custody is often shortened and the social workers have more time to work with the parents or find relatives to care for the children.

What else can we all do? SRS Child and Family Administrator, Karen Wahlmeier, would like you to know that Wichita has a wealth of support systems through area non-profits to help parents raising children. She suggests that you call the United Way 211 info line 24/7 to find out about all these resources.

There is an opportunity to find out about community resources. Every year Nola

Foulston, our District Attorney, organizes a Community Awareness Event. This event provides the public with an opportunity to visit the displays of many of the organizations who help victims. It will be at Towne East on Saturday April 19th.

In addition please consider helping in these ways:

Pay attention to the children in your neighborhood. If you know of a parent(s) who is struggling, offer to give them a break and care for their child(ren) or consider being their mentor.

Spread the word that the one you love or live with might not be the best care taker for your child.

..... And that drinking and using drugs when you are trying to get pregnant, or after you become pregnant, will damage your baby's brain resulting in behavioral problems.

Collect baby items at work or your place of worship and share them.

Become involved with a program or agency that works with parents and children.

If you are a frustrated parent, ask for help or call 211.

If you do have a concern about child or adult safety, report it to the local Wichita SRS office at 316-337-6601 or to the 24-hour Kansas Protection Report Center at 800-922-5330. For more information on child abuse go to www.preventchildabuse.org

Thank you for cherishing the children.

Cars for Kids 2008 a Success

Thank you to the Wichita Auto Dealers Association for making our 5th annual Cars for Kids gala a stellar success. Guests enjoyed an evening of music, live and silent auctions and the chance to win a new car while enjoying Wichita's largest new car showroom. With over 900 guests, Cars for Kids raised \$125,000 for the Wichita Children's Home. The generosity of WADA, sponsors, the many organizations and individuals who donated to the auctions, volunteers and guests ensure that the Wichita Children's Home stands ready to provide shelter for more than 2,500 children each year in need of a safe haven during their time of crisis.

The Wichita Children's Home Would like to thank the Wichita Auto Dealers Association for their support and dedication to children in need.

PGA Tour Golfer Woody Austin Shares "Good Fortune" with Home

Pictured left to right Pamela Clancy Ammar, Board President, Sarah Robinson, Executive Director, Shannon Austin (Trustee) Woody Austin

PGA Tour golfer Woody Austin and his wife, Shannon, announced their gift of \$125,000 to the Wichita Children's Home.

"It's something we are pleased to do," said Austin, who comes off his finest season as a PGA Tour professional. "We were fortunate to have had a great 2007 and we feel it is important to share our good fortune. The Wichita Children's Home serves children who have nowhere else to turn."

The Board President of the Wichita Children's Home, Pamela Clancy Ammar, says "We are honored and very thankful for the Austin's generosity to the Wichita Children's Home."

Woody recently completed his finest season on the PGA Tour, with a win at the Stanford St. Jude Championship and was runner-up to Tiger Woods at the PGA Championship. Woody was also part of the victorious 2007 President's Cup team.
