

WICHITA  
Children's Home

## a home with a heart

The Wichita Children's Home is always open for those who need us most – children who have endured physical, emotional and sexual abuse, neglect, homelessness and exploitation. To provide them with safe, secure and supportive shelter and care, WCH relies on donations of new items from caring people like you. Every year, about 1,600 children come through our doors, often with only the clothes on their backs. We help thousands more through outreach programs. When you include us in your holiday giving, you are helping meet the needs of each child to ensure their safety and well-being. You are not just making the holidays brighter, you are changing lives.
